

Cleaning Up the Past FOR YOUR FUTURE

Call: 1.800.640.5323

Your Trusted Partner in Federal Contracting

EnviroVantage supports the Department of Defense's mission and other Federal Agencies through servicing Demolition, Abatement & Remediation Contracts as a Prime, Sub-Contractor and Joint-Venture Partner.

We support individual task orders for both small and large business MATOC & IDIQ holders, as well as strategic teaming agreements in pursuit of both SATOC and multi-award contracts.

We also understand and support 8(a) small businesses and have experience providing mentorship and guidance.
